The committee meets again Saturday night to consider the subject further. It seems that the chief objection to Ma the measure from Dr. Fisher's side of the question is the appointment by the governor of a state medical board. It is feared that the board would not e impartial in its examinations. Again, as it met only in Austin, it would cost those desiring to be examined who lived in remote parts of the state, a considerable sum to come here. So, on the whole, Dr. Fisher thinks the old law had better be left unchanged.

DR. JOHN BULL'S FOR THE CURE OF FEVER and AGUE

Or CHILLS and FEVER. AND ALL MALARIAL DISEASES. The proprietor of this celebrated medicine ustly claims for it a superiority over all rem-cies ever offered to the public for the SAFE. CERTAIN, SPEEDY and PERMANENT cure f Ague and Fever, or Chills and Fever, wheth er of short or long standing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure it the directions are strictly followed and carried out. In a great many cases a single dose have teen sufficient for a cure, and whole families have been cured by a single bottle, with a per-fect restoration of the general health. It is however, prudent, and in every case more cer tain to cure, if its use is continued in smaller

doses for a week or two after the disease has been checked, more especially in difficult and long-standing cases. Usually this medicinwill not require any aid to keep the bowels ingood order.
